MESSAGE FROM THE CEO

Dear Distinguished Clients and Development Partners,

Knowledge Tree International Institute (KTI) is a management consultancy established with a mission to design and continuously provide quality, affordable training, skills development and professional consultancy; using cutting-edge approaches to identify and satisfy the real developmental educational needs of our distinguished clientele. I take this opportunity to thank you for considering us to be part of your capacity development endeavors. As the CEO of KTI, I am privileged to be a part of this all-important stakeholder collaboration.

We want to make the overall journey of clients more delightful and a much more accessible experience. We strongly believe that the success of an organization is not just based on the profits measured in numbers, but also the quality service standards, customer satisfaction, and of course, how well we deliver on our promises.

Our international presence, in the USA, the UK, Canada, the UAE, Singapore, Switzerland, Malta, South Africa, Malaysia, Denmark, Bahamas, and Ghana, affords our clients the opportunity to develop new business/working relationships through effectual networking, knowledge sharing and possibilities of establishing international partnerships. We are making preparations to stretch our exceptional capabilities to other global destinations as well. One key benefit we always assure of is the fact that, common knowledge in a foreign territory could sometimes become new knowledge within a local setting; thereby giving the acquiring organization a better competitive advantage.

Being an outcome-oriented professional training and management consultancy, we believe in real-time knowledge sharing and co-creation as part of our key winning formula. We maintain our focus toward unwaveringly achieving that deserved service excellence in the multidisciplinary fields that we continue to serve, and I am privileged to be the lead consultant of KTI's highly dedicated and committed team.

Our indefatigable customer-centric staff are empowered with the capability and flexibility to deal professionally with each client's requirements. In our commitment to finding the most applicable and mutually desirable solution and business value, we customize our approach, systems and processes not only from client to client, but also among the various institutions, while keeping the underlying principles common.

One thing, I must acknowledge here is, we do not offer or assure the term "100% Guaranteed" in any of our services but with you as a development partner, synergistically, we together improve, exponentially increase and sustain our chances of success on a consistent basis.

To talk about success, we view its possibility therefore from our clients' perspective and critically assess the overall feasibility towards performance. If you ever decide to give wings to your dream of career advancement, entrepreneurial growth, organizational learning/business transformation, and human resource capacity development, Look no further.

Thank you for considering KTI for your Learning and Capacity Development needs. At the end of the day, your satisfaction summarizes our success story.

KTI – Education You Can Trust

BRIEF INTRODUCTION OF KNOWLEDGE TREE INTERNATIONAL INSTITUTE (KTI) LLC.

Knowledge Tree International Institute (KTI), LLC, which is registered and based in the United States of America (USA) and Canada respectively, delivers professional training and management consultancy in diverse disciplines, as well as equipping and enriching our corporate and individual clients with requisite human resource soft skills to enable them manage and sustain their efforts and drive towards business success. We currently run our international conferences in the USA, the UK, Canada, the UAE (Dubai), Singapore, Switzerland, Malta, South Africa, Malaysia, Denmark, Bahamas, and Ghana.

Our flexibility in delivering quality service allows us to adapt to the specific needs of our clients towards meeting and satisfying their requirements. In short, we try to get it done right the first time.

Over the years, we have been consistent with our mandate of providing professional training and management consultancy to both private and public organizations around the globe. We hold a unique reputation for delivering on our promises, and our clients' evaluation of our service delivery has always kept us on track to ensure we never compromise on the business value we continue to provide.

We focus primarily on understanding the real needs of our distinguished clients to enhance mutually beneficial success on a consistent basis.

To us, the best is the least we can offer.

OUR VISION, MISSION & VALUES

Our Vision is to be the best and most preferred professional training and management consultancy, and education provider, globally.

Our Mission is to design and continuously provide quality, affordable training, skills development and professional consultancy; using cutting-edge approaches to identify and satisfy the real developmental educational needs of our cherished clientele. Our Values come from within and reflect what we stand for.

Employees everywhere at KTI act out our special values every single day. The set of values acts as a guide in the everyday life, as well as the basis of big and small decisions, and makes up our common platform.

CAPABILITY STATEMENT

We offer a rich mixture of state-of-the-art theoretical insights and practical experiences of working in interdisciplinary projects and through our networks and professional interactions with policy-makers, civil society and entrepreneurs. Our highly interactive training methods stimulate participants to reflect and share their experiences to generate new insights. Our courses build directly on the experience and expertise of our staff, consultants and distinguished clients across varied disciplines. KTI offers a wide range of programs that have been streamlined to serve as valuable solutions for the benefit of organizations that patronize them.

KTI mostly prefer the face-to-face interactive approach during facilitation. We deliver through presentations, case studies, and sharing interactive and related real-life experiences. This is to enhance greater absorption and a feel of the practicality of our programs. We offer user trainings to corporate organizations and private individuals to attain a proficient level of expertise in the usage of relevant tools and platforms.

We are proud to be one of the leading educational providers of choice for many top and influential global companies. With an interactive and friendly atmosphere aimed at generating realistic and practical ideas, we focus on assisting organizations and individuals to make managerial and operational level decisions that result in permanent solutions to challenging business-related situations.

We focus on meeting clients' requirements and delivering business value to organizations. Therefore, we promote value-added efforts, through quality and effective training and present workable best practices for our clients. In short, we put our clients first. At KTI, we are noted for providing 'Education you can trust'. We have the expertise, and we exhibit it through our professionalism and commitment to delivering quality constantly.

ABOUT US

As part of our core mandate, we are desirous of equipping professionals with the requisite knowledge, skills, and capabilities to remain relevant in their various fields of expertise. With almost two (2) decades of experience in corporate training and management consultancy we have gained an in-depth understanding of the environment, emerging trends, and the use of appropriate technology for developing and providing practical solutions for our clients' consumption.

We advocate inclusivity and a participatory approach in all our training sessions, thereby helping our clients to identify and firmly decide on the solutions that will best work for them.

Our theme underlying every training/conference we hold is ADAPTATION. For more information, visit www.knowledgetreeinternational.com

OUR STYLE

In KTI, quality, excellence and professionalism are our uncompromising hallmark. We therefore delight ourselves in serving our participants with nothing but the best training experience. Our training sessions are very educative, informative, interspersed with some touch of fun learning activities, alongside a gallantry of top-notch facilitators in diverse disciplines.

We have ultramodern training facilities where our training sessions are held. Our mode of delivery includes but not limited to:

- Interactive PowerPoint presentations
- Debates
- Group discussions
- Experience sharing
- Quizzes
- Case studies
- Institutional visits.

For customization of your training needs, please contact our team for the necessary guidance. Find below the list of programs we offer.
